Impact Thrift Stores, Inc. was founded December 2001 for the purpose of easing the burden of fundraising for charities such as yours. We are committed to this responsibility while also being wise stewards of the funds entrusted to us. The opportunity to partner with you is one that we eagerly anticipate as an ongoing relationship that works fairly for all concerned. We ask that you read carefully the benefits and responsibilities detailed below so that expectations can be clearly understood on both sides. This Charity Partnership Agreement is meant to serve as an aid to our relationship as we work towards our common and separate goals.
